

April 14, 2015

Valued Customer,

Taylor Farms California (Food Service), Inc. is initiating a voluntary recall of value added spinach due to an isolated instance in which a random sample yielded a positive bacterial pathogen by the Michigan State Health Department.

**Our records indicate that you WERE NOT shipped products contained in this recall.**

**There have been no reported illnesses** associated with the consumption of these products and the company is working closely with the Food and Drug Administration (FDA) and California Department of Public Health (CDPH) regarding this recall. We will keep you informed of any updates.

At Taylor Farms, food safety is our top priority and we sincerely value our partnership. Thank you for continued support.

Kind regards,

Taylor Farms California
